Report on 1984 Riots

2650. SHRI RAM NAIK: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether the Government have received the Kusumlata Mittal-Kapoor report on the 1984 riots;

(b) if so, when;

(c) the details of officers against whom action was proposed in the report;

(d) whether these officers were given an opportunity to defend themselves; and

(e) if not, the reasons thereof?

THE MINISTER OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS AND THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS: (SHRI M.M. JACOB): (a) and (b). Yes, Sir. The Kapoor-Mittal Committee submitted the report to the Lt. Governor of Delhi on Ist March, 1990. The Ministry agreed with the views of the Delhi Administration that the recommendations of Ms. Kusumlata Mittal should be the proper basis for further action with regard to the role of police officials during the riots.

(c) Ms. Mittal recommended disciplinary action and other appropriate action against 72 officials.

(d) and (e). The Committee's work was essentially an administrative one enquiring into the acts of omission and commission on the part of the individual police officials and was not meant to act as a quasi-judicial

forum. The officials concerned will get full opportunity to defend themselves as and when departmental proceedings are started.

Allocation for Exploration of Tapti Gas Fields

2651. SHRI SOMJIBHAI DAMOR: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) the allocation proposed for exploration of Tapti Gas Fields during Eighth Five Year Plan;

(b) the quantity of gas from Tapti Gas Fields is likely to be allocated to Gujarat; and

(c) the gas allocation made for power projects in Gujarat?

THE MINISTER OF PETROLEUM AND NATURAL GAS (SHRI B. SHANKARANAND): (a) and (b). This has not been finalised.

(c) The present commitment is 7.55 MMSCMD (not from Tapti field).

Land Fertility of Indo-Gangetic Plain

2653. DR. Y.S. RAJASEKHAR REDDY: Will the Minister of AGRICULTURE be pleased to state:

(a) whether land fertility in the Indo-Gangetic plain had decreased due to increase in the salinity;

(b) if so, the details thereof; and

(c) the corrective measures taken in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI MULLAPPALLY RAMACHANDRAN): (a) Yes, Sir.

(b) wherever the lands have been affected by the salinity the general fertility of the soil goes down. The decrease in crop production occurs due to toxic effects of salts on plant tissues, limited uptake of essential plant nutrients, removal of water from plant growth etc., decrease of the land fertility in the saline soils for Indo-gangetic plains has enhanced in the irrigated areas.

It is estimated that approximately 2.5 m.ha. area of the Indo-gangetic plain spread over in the States of Punjab, Haryana, U.P., Bihar, Rajasthan and M.P. is affected by soil salinity.

(c) To control the problem of soil salinity, the Command Area Development Programme of the Ministry of Water Resources envisages the following measures:

(i) on-farm development works of constructing the field channels, land levelling and land shaping;
